

DOCTRINE OF HUMAN Good

- I. Human good is dead to the plan of God; therefore, it is called dead works, Heb.6:1.
- II. Human good is repulsive to God. It is not acceptable, Isa.64:6; Gen.4:4.
- III. Human good has no merit in the plan of God, 2Tim.1:9.
- IV. A distinction should be made between human good and bona fide morality under the Laws of Establishment, Rom.13:4,5.
- V. Human good will not save mankind, Ti.3:5; Eph.2:9.
- VI. The believer's human good is revealed and destroyed at the Judgment Seat of Christ, 1Cor.3:11-16.
- VII. Human good is the basis for the unbeliever's indictment at the Last Judgment, Rev.20:12-15; Rom.2:6.
- VIII. Human good can only produce human boasting, Eph.2:9.
